Make poetry writing meaningful and fun with everything you need.

What is

POETRY?

- Poetry is a form of writing that expresses your feelings while telling a story.
- Poetry has a rhythm and sometimes rhymes.
- Poetry can be short or long, silly or serious, can use your senses or your feelings. You can find inspiration all around you!

@Two Little Birds

SIMILE

A simile compares two unlike things using "like" or "as." A simile compares things that usually be compared.

A bear is as hungry as a
sunflower on a rainy day.

FAQ

Does this include an assessment?

A: The student journal can be used as an assessment.

Do you need to use all 7 poems?

A: No! You can choose what forms of poetry you'd like to teach. You can easily delete slides from the PowerPoint or Google slides and only print the pages you'd like from the PDF.
